Finance and Business Committee

Funding Guide

Each quarter, every UCSB undergraduate pays a fee of $186.04 to Associated Students. This fee supports a wide variety of operations of Associated Students that benefit the students of UCSB, the campus and the surrounding community. The charge of the AS Finance and Business Committee is to help registered student organizations put on successful events, provide necessary student services, hold conferences, and fund championship aspiring teams through the procurement of funds. The AS Finance and Business Committee is composed of one Chair, one vice-chair, the Chief Financial Officer, 10 Finance Officers, and 8 Senators. The student leaders who sit on the Finance and Business Committee are tasked with the careful deliberation and the decision of the approval of funding for student groups.

In order to be eligible to receive AS Funding, groups must have attended a F&B Workshop, completed an Authorized Signers Form, Submit a Budget Proposal, and attend an F&B Meeting, held every Monday at 4 PM in the State Street Room of the UCen.

Groups must adhere to the policies and procedures outlined in this guide. Groups must add their event to the AS Events Calendar, and include AS Logos in promotional material in order to complete their Funding Request. Reimbursements and Purchase Orders can be processed by filling out a Requisition Form, available at the F&B Office.

Good luck, and I hope that your organization finds this guide helpful in making your event a success. Please contact us if you have any further questions or concerns.

Sincerely,

Jerel Constantino
Chair, Finance and Business Committee

Guidelines

*Sustainability*

Associated Students has continually demonstrated its role as a campus leader in sustainability standards, and the willingness of students and staff within AS to further educate themselves about how to reduce their environmental impact. ASUCSB will further its role as a campus leader in sustainability through purchasing standards that will lead to a more environmentally friendly and socially conscious Association.

- The most sustainable purchase is no purchase at all, and therefore, AS encourages groups to consider if they really need an item or a large quantity of items.

- These sustainable purchasing guidelines must be followed:
  - No single-use water bottles may be purchased. Water coolers and 5-gallon jug pumps must be used for hydration stations.
  - All coffee and tea must be certified Fair Trade and certified organic.
  - All public events with more than 30 attendees that provide food must have vegetarian and vegan options.
  - A.S. spaces may not purchase single-use products such as coffee cups or paper plates for daily office users; daily users should provide or be provided with reusable items.
  - Certified compostable single-use food service products, including plates, bowls, utensils and napkins, must be purchased for events and guests. These items should be purchased from the A.S. supply of compostable goods in order to minimize costs and reduce packaging.
  - No polystyrene (Styrofoam) may be purchased or used.
- In order to ensure sweatshop-free purchases, clothing and apparel, reusable bags, water bottles, and promotional pens and pencils must be made in the USA.

**Fundraisers**

- Fundraising events must be approved by the Office of Student Life (in the case of registered campus organizations) or by the Executive Director, Associated Students (in the case of Associated Students programs/events).

- All revenue generating aspects of the event must be handled through the AS Cashiers and Ticket office.

- Fundraising payments via-app (i.e. Venmo or PayPal) are not allowed.

- All AS Fees used for Fundraising Events must fill out an Event Report.

- **No A.S. funds can be used to raise money for your own organization.**

  - However, AS Funds are given to philanthropic fundraisers.

  - If your organization is allocated $5,000.00 or more the donation made to the charity must match the amount you received from A.S.

**Travel**

- All travel costs (except for mileage allotments) must be accounted for with original itemized receipts stating exactly what was purchased within one week of returning from travel. These original receipts must be submitted to the AS Administration office. The traveler should retain one copy of each receipt.

- If the travel occurs during a vacation period these receipts will be required within the first four (4) days of the next quarter.

- All pre-approved funds which were unused must be returned to the A.S. Administration Office within four (4) academic days; if these deadlines are not adhered to, A.S. reserves the right to bill the individual (or organization) responsible.

- If the travel costs exceed the amount budgeted, then the individual (or organization) shall be billed for those additional costs. AS will bill the individual’s or organization’s Perm Number through the UCSB BARC office.

- AS shall not fund travel for personal, or social related purposes.

- Before the organization can travel by private vehicle, a current certificate of the insurance on the vehicle that shows the limits of the coverage must be on file in the
A.S. Administration Office. When using a private vehicle, the organization may requisition for an allotment of $0.505 cents per mile for mileage costs.

- Conference Fees: Associated Students will pay conference fees, provided that they are reasonable in relation to the number of people attending the conference and to the benefit which attendance at the conference will bring to the AS funded organization or to Associated Students. A conference announcement or registration form must be included with your completed A.S. Requisition and Travel Request Form, showing a) the conference location, b) the conference dates, c) a detailed outline of conference activities, and d) the total fees for the conference.

- Per Diems: Per diems may be granted for travel on Associated Students business at the following current rates per twenty-four (24) hour period:
  - Breakfast $10.00
  - Lunch $15.00
  - Dinner $20.00
  - Lodging (up to) $75.00
  - Total Per Diem $120.00 per day
- Per diems will be modified or withheld if conference fees include meals or lodging, or if designated “high cost” areas are approved by Finance and Business Committee.

**Food**

- OSL Groups cannot spend more than $500.00 per year on food expenditures.
- A.S. Boards, Committees, Commissions: A BCC’s quarterly budget to spend on sustenance shall be determined based off of the average attendance of all general meetings held in the previous quarter multiplied by the total number of general meetings held in that quarter. The amount of this allocation shall be reported in an entity’s minutes no later than the second (2nd) meeting of that quarter. This policy does not pertain to programs, events, tabling, and one retreat or banquet per quarter.
Contract/ Speaker Fees

- If the organization plans on paying a speaker or band a fee for performing at an event, the requisition turned in to the A.S. Administration Office must be with a signed contract and Form W9. Otherwise, A.S. funds will not be approved to pay the performer or speaker.

- If the hosting organization is an A.S. entity, the A.S. Executive Director must sign all contracts before A.S. is legally bound to the performer. No payments will be made to the performer until the performance contract and Form W9 are complete.

Publicity

All publicity printed with AS F&B’ funds must identify Associated Students in the following way:

“Funded by AS Finance and Business Committee”

and/or include this logo, which can be downloaded at asfb.as.ucsb.edu:
